Would you like to be considered as a Stand-by official for the tournament? _____

This means that you are available all day, Saturday & Sunday. You need to be out at the tournament. You will get Stand-by pay for each hour you are out there.

All officiating groups will be a minimum of 5 referees. That means you will work a minimum of 6 games on Saturday and 4 or 5 games on Sunday. If you would like to put together a crew, the crew size should be either 5 or 6 / crew.

Please list the referees you would like to work with (I will try and meet your preferences)

Any additional comments and/or instructions: _____

In the comments and/or instructions area please note the following:

If you are playing on a team that might be participating in the tournament, coaching a team, or have a son/daughter that you would like to be scheduled around, please note the team name and age group that applies so I can schedule around those problems.
